

ANGEL EDU CARE

A Unit of Angel Education Society and Kalyani Public School, Barasat

Dear Parents,

Greetings from Kalyani Public School, Barasat. Hope you are all doing well under such a challenging situation. We are not only facing health and financial challenges but also we are facing challenges for the future education of our wards. Because present class-11 science students have to appear in 12-board and other competitive exams like WB-JEE, JEE-Main, JEE-Advance, NEET in 2023. Big Institutes are charging big amounts for competitive exam preparation which may not be possible for us to afford.

Under such a circumstances Kalyani Public School, Barasat has decided to offer competitive exam preparation courses only for it's own students at an affordable rate. Main highlights of the courses are as follows:

- ✚ Tuition for JEE will be provided through our own secure platform.
- ✚ Experienced reputed teachers from IITs and other reputed Institutes will take the classes.
- ✚ Comprehensive study materials for all subjects will be given in pdf format.
- ✚ After each class weekly assignments will be provided for the self-practice of the students.
- ✚ After completing the assignments students will get complete answer sheet with explanation.
- ✚ Regular online mock tests will be held for WB-JEE, JEE-Main/Adv. and NEET.
- ✚ Complete doubt clearing will be provided after each mock test.
- ✚ Performance analysis of the students will be provided so that the parents can be aware of the academics of the students.

Fees : Engineering Entrance (WB-JEE, JEE-Main/Advance)

- Subject Covered: Physics, Chemistry, and Mathematics.
 - Three (3) Classes per week.
 - Duration of each class 3 hours, with a break of 15 Mins after 1 hour and 30 mins.
 - Classes will be held on Saturday and Sunday only.
 - No admission Fees only monthly fees.
 - Monthly fees: **Rs.3000** per month.
